PTFA Supporting School Events

Objectives –

- Build school community;
- fund-raising through refreshments sale;
- increase lottery participation & encourage attendance at PTFA events;
- recruit volunteers;

Events (for discussion)

- Induction evenings – Year 7 and Year 12 induction evenings
- Parents evening – in person events at school (Yrs 7, 9, 11) (Yrs 12/13?)
- Termly Concerts – consideration to be given to numbers of attendees expected, and whether pre-, interval or post-concert sales
- Sports Day – catering for students on field
- School play – licensed bar?
- Awards evening Yr 13

Balance between supporting school by providing refreshments at events where needed, and optimising fund-raising. Consideration for ‘simple’ provision (tea/coffee, squash biscuits?) needing small team and ‘fund-raising’ provision, where wider range and more emphasis on sales.
